The **Area Agency on Aging of the Panhandle** is offering Senior Planet classes from AARP to help older adults use technology to learn new skills, save money, get in shape, and make new friends.

Upcoming Class: Intro to Digital Wallets

What item can you not leave home without? If you said your phone, this lecture is for you! If you said your wallet, you should probably come too! The digital wallets on our smartphones allow us to go about our daily lives without ever needing to pull out our actual wallets.

In this presentation, we'll review the basic features of the most popular digital wallets: Apple Wallet and Google Wallet and talk about their many uses beyond purchases. We'll also discuss features/considerations for security and privacy.
