

MEMORANDUM

DATE: December, 2016
TO: Panhandle Environmental Partnership Members and regional City Officials
FROM: Lori Gunn, Regional Services Program Coordinator
SUBJECT: CTRA Monthly Price Sheet

It is that time of year with cold crisp air and folks busy buying gifts, which mean there will be lots of cardboard boxes headed to dumpsters across the region in the next few weeks. This influx of boxes typically has the mills filling up much quicker, so now is the time to get your load of cardboard to the recycling market...before this influx. As you look over the prices, you'll see that plastics have dropped, as expected due to oil prices. The lone bright spot on the list is that aluminum has made a move upward, with all other commodities holding steady for now. We expect that cardboard will drop; so if you have a full load, we need to move, move, move that load to the market! I'll be happy to answer any questions or schedule a pick up, just call me at (806) 372-3381. Merry Christmas and thank you for a wonderful year!
