

Cardboard—OCC

It is a great time to get those cardboard boxes baled and shipped to the recycling market. Prices typically begin to drop on cardboard as we get closer and closer to the end of the year overflow, so now is the time to take advantage of the higher price. If your city wants to get started recycling, this material is one of the best ways to start that endeavor. Call Lori at PRPC to get started, (806) 372-3381.
