

## MEMORANDUM

**DATE:** July, 2017  
**TO:** Panhandle Environmental Partnership Members and regional City Officials  
**FROM:** Lori Gunn, Regional Services Program Coordinator  
**SUBJECT:** CTRA Monthly Price Sheet

Summer is coming to a close. Between the books, clothing, school supplies, athletic equipment, or other items that may arrive in boxes, we have a lot of boxes to remove from our trash headed for the local landfills. Cardboard is easily found and the good news is that it is also easily recycled. Many of our recycling locations in the PEP are already taking advantage of the ease at which it can be baled and recycled. Even though the price has dropped a bit since April, cardboard is still at a high price. If you have any questions about starting a recycling program or if you are ready to schedule a pick up, please call me at (806) 372-3381.
