

M E M O R A N D U M

DATE: October, 2017
TO: Panhandle Environmental Partnership Members and regional City Officials
FROM: Lori Gunn, Regional Services Program Coordinator
SUBJECT: CTRA Monthly Price Sheet

The weather is getting cooler and critters are looking for a home to hide away from our cold, wet, windy winters. The scrap metal pile is the perfect place for those critters to hide. The afternoon sun warms up the metal and the entire pile shields them from the winds. Get that scrap metal recycled and clean up your neighborhoods from unwanted critters and vermin. Steel prices are up and cardboard is holding pretty steady! To start a recycling program or if you are ready to schedule a pick up, please call me at (806) 372-3381.
