

MEMORANDUM

DATE: November, 2022
TO: Panhandle Environmental Partnership Members and Regional City Officials
FROM: Daphne Morcom, Regional Services Program Specialist
SUBJECT: KTR Monthly Price Sheet

Did you know that used motor oil is easily recycled? This heavily used oil can be cleaned up and re-packaged for use all over again! To get your community set up to recycle used motor oil, you will need to provide a container that is accessible for your residents to dispose of their used motor oil into with ease and can also be picked up by the recycler. Grant funds have enabled many of our jurisdictions the ability to re-use this material through the used motor oil containers. Don't forget to move that cardboard and paper. When you are ready for a pick-up, call me to get scheduled for a truck, (806) 372-3381. Thanks, Daphne
