

**MEMORANDUM**

**DATE:** May, 2022  
**TO:** Panhandle Environmental Partnership Members and Regional City Officials  
**FROM:** Daphne Morcom, Regional Services Program Specialist  
**SUBJECT:** KTR Monthly Price Sheet

Amarillo celebrated Earth Day by hosting a cleanup campaign on April 22, 2022. They set a goal of 80 tons and collected well beyond that goal by collecting a total of 191.4 tons of trash and debris which was more than double what they collected last year! What a great way to get the trash and debris off the streets and out of the alleys. Every community could use a cleanup campaign like this. If you are interested in doing a cleanup campaign in your town or area, please let me know. I would be glad to assist you with that. It looks like there is a slight drop in the price of cardboard but an increase in the price of office paper and mixed paper continues to remain the same. When you are ready for a pick-up, please let me know. (806) 372-3381. Thanks, Daphne
