

MEMORANDUM

DATE: May, 2023
TO: Panhandle Environmental Partnership Members and Regional City Officials
FROM: Daphne Morcom, Regional Services Program Specialist
SUBJECT: KTR Monthly Price Sheet

Just because school is letting out for the summer, the learning doesn't have to stop. Get those kids up and moving this summer! They can learn how to compost! You can begin a program for your City or County and teach kids to take care of the planet. The TCEQ has some great curriculum for kids to begin learning how to compost and why it makes a difference. If you are starting a program for the kids in your community, let me know. You just might get highlighted in the PEP Rally! If you are ready for a pick-up, please let me know. (806) 372-3381. Thanks, Daphne
