

PEP RALLY!

Panhandle Environmental Partnership

Issue # 160/October 2025

The PEP Rally Newsletters have returned!

As the year wraps up, I just want to remind on the procedure to request a pick-up for your OCC and paper and other recyclable materials. All requests will be sent via email to Arwin Lohony at PRPC, alohony@theprpc.org. If there is an issue with a truck, you will need to contact KTR immediately at (512) 872-6630.

Many materials, such as cardboard, paper, mixed paper, white ledger paper and scrap metal, can be diverted from the landfill and sent to the recycling market for proceeds. It's a win-win for the community, city, county and environment. Even the smallest communities can participate and benefit from a recycling program. Call or email Arwin at (806) 372-3381 to get your commodities back to the recycle market.
