Just a reminder on procedure with recycling loads, when you are ready for a pick-up, please call or email Daphne at PPRC. If you experience an issue with a load, you will contact KTR. For any urgent issues you experience with a truck, please be sure to call KTR **BEFORE** the truck leaves. KTR can be reached at (512) 961-5264. As always feel free to contact me with any questions or concerns. Make sure that you have enough baled material to fully load the truck. 42,000 pounds or 21 tons makes a full load.
