SUBJECT: KTR Monthly Price Sheet

Summer is coming to a close. Between the books, clothing, school supplies, athletic equipment, or other items that may arrive in boxes, we have a lot of boxes to remove from our trash headed for the local landfills. Cardboard is easily found and the good news is that it is also easily recycled. Many of our recycling locations in the PEP are already taking advantage of the ease at which it can be baled and recycled. The price of OCC is holding, so if you are ready for a load to be picked up, now is a good time to get it scheduled. If you have any questions about starting a recycling program or if you are ready to schedule a pick up, please call Daphne at (806) 372-3381.

KTB/KTR will be hosting a regional training for the Panhandle in Amarillo on September 12th. KTB and Coca-Cola Southwest Beverages will share information about an exciting new opportunity to recycle plastic bottles. We invite all of you to attend and share your ideas about what additional support your community would need to begin collecting and recycling plastic bottles. There will be plenty of time for networking, door prizes and lunch will be provided.
