

MEMORANDUM

DATE: September, 2024
TO: Panhandle Environmental Partnership Members and Regional City Officials
FROM: Daphne Morcom, Regional Services Program Specialist
SUBJECT: KTR Monthly Price Sheet

What is a full load? 42,000 pounds or 21 tons. Make sure that you have enough baled material to fully load the truck. If not, you'll incur a light load charge. The prices of most materials are starting holding steady or increasing. Cardboard was holding for a few months but now has increased to \$135/ton. This is a great time to move material for a great price! If you have material ready and would like a pick-up, call me to get scheduled for a truck, (806) 372-3381. Thanks, Daphne
